WOOLWORTH BUILDING
New York

New York, N. Y. February 26, 1931.

To THE STOCKHOLDERS:

There is submitted herewith the annual report of your Company for 1930.

Net profits, after all charges except Preference Stock dividends paid, amounted to \$1,104,324.51, compared with \$1,021,385.50 for 1929. Total sales for the year were \$38,117,073.01 made up of retail sales amounting to \$37,009,933.90 and jobbing sales of \$1,107,139.11, compared with total sales in 1929 of \$36,943,122.40, of which \$33,519,529.65 were retail sales and \$3,423,592.75 jobbing sales. From this it will be seen that retail sales increased \$3,490,404.25 and jobbing sales decreased \$2,316,453.64.

Retail sales in dollars for the year showed an increase of over 10%, but in tons of merchandise sold the increase was over 21%. Our green coffee jobbing business shows a decline of \$2,316,453, caused both by lower prices and lower tonnage sold.

At the end of 1930 the company was operating a total of 711 branches, compared with 707 branches at the beginning of the year.

This is the sixth consecutive year in which the Grand Union organization has shown increased profits.

J. Spencer Weed, President.
